One person **¥18,000**

This Pink Ribbon month of October and in support of breast cancer awareness, FAUCHON L'Hotel Kyoto will be serving a special dinner menu incorporating the infamous FAUCHON brand colour and a symbol of breast cancer awareness, pink.

Through collaboration between Keiichiro Hayashi, the head chef of FAUCHON L'Hotel Kyoto, and Baptiste Limouzin, the head chef of FAUCHON L'Hotel Paris, comes a suitably pink gourmet experience, using local fresh ingredients from the Kyoto region and including a variety of dishes, all prepared with traditional French techniques.
